Cville Plans Together is an opportunity for the community as a whole to update the city’s future vision, focusing on the very real issues of equity and affordability.

**Together, we will develop...**

An update to the Citywide Comprehensive Plan, to guide the ways that the city will change and grow in the future.

An Affordable Housing Strategic Plan, as part of the Comprehensive Plan, to create a unified strategy for housing Charlottesville’s residents.

An updated Zoning Ordinance, to ensure that development takes places in a clear, effective, and equitable way.
